ADVERTISING OPPORTUNITIES are available and appreciated. Pages 22-30 have information and forms for the many ways to sponsor at Region 5 this year. Please contact Joan Palelek: region5horseshow@gmail.com. Thank you!

AHA MEMBERSHIP CARDS & HORSE REGISTRATION PAPERS: Copies of AHA membership cards and horse registration papers are not required to be sent with your entry this year since the software is linked to the AHA website. **Please make certain you print numbers clearly!** Remember to include the prefix (1A, for example) to Half-Arabian numbers and if Canadian registered, CAHR or CPAR. Copies of USEF or EC cards still need to be sent with your entry.

AMATEUR relationship to horse owner line on the entry is important; especially when the last name is different. Please complete it if showing in AAOTr, AOTR, or JOTR classes.

ATH MARE/GELDING CHALLENGE: See page 15 for details on this fun class, enter it and win some money! This year the class is open to Arabian mares and geldings AND HA/AA mares and geldings.

CANADIAN EXHIBITORS: EC Sport License holders in good standing and with a Bronze, Silver, Gold, or Platinum Sport License (non-FEI disciplines and breeds) will be given a USEF Competing Membership at no cost for the purpose of competing in USEF-licensed competitions. All USEF Competing Members who are 18 years of age or older must annually complete the SafeSport Training provided by the U.S. Center for Safe Sport before being allowed to compete. ***This USEF issued number is to be used on your entry form.*** For information about obtaining a USEF Competition membership, EC Sport License holders should contact sportlicences@equestrian.ca or memberservices@usef.org. USEF rules for amateur status apply for all competitions licensed by USEF, and EC rules for amateur status apply for all competitions sanctioned by EC. **This is the number you will need for your entry forms.**

It is important to note that individuals holding dual memberships (both USEF and EC) must complete the education requirements for both National Federations.

BREEDING/IN HAND PADDOCK: One person per horse will be designated to assist with the entrance of the halter classes. Only that person will be allowed to use a designated whip with appendages provided by management to enhance the performance of the halter horses. These actions will only occur in the designated enhancement area. No other devices will be allowed. No one, including the designated person, will be allowed to hit or use any other objects, such as trash cans, walls, plastic signs, etc. to make additional noise. The Comparative Scoring System will be used.

***EARLY ARRIVALS** will be permitted beginning July 8 at 8:00 AM for \$30 per night per horse stall. All early arrival reservations must be made through the Show Manager, Joan Palelek: region5horseshow@gmail.com.

HIGH POINT PROGRAM IS BACK!! Age groups are Adult Amateur, Juniors 15 - 18, Juniors 14 & under, and Walk/Trot 10 & under.

PAYMENT OF ENTRIES: The entry form will calculate the amount due if paying using PayPal and the amount due if paying by check. Payment is due the same day you email your entry. PayPal payments to: paypal.me/Region5MR. There is a user fee of 4% added to your entry for using PayPal. If you choose to pay by check, they are to be mailed with a postmark the same day as entry is emailed. Entries will not be processed until payment is received. If payment is received after the close date of June 11, post entry fees apply.

RV PARKING 2024: The fairgrounds will handle all RV reservations. You may reserve and pay for your RV spot by phoning 360-805-6706 beginning June 3. Please have the length of your trailer/RV and if you have a tip -out. See General Information section for details and pricing. Please park only in your assigned space.

STALL CLEANING: The past few years, our facility contract has made the show responsible for cleaning stalls after the show and we build the cost into the cost of the stall. Last year, a Snohomish County 4-H club was hired to do the work. They have agreed to do the job again but let us know that many stalls were left with large amounts of dirty, wet shavings. It appears instead of cleaning daily, fresh shavings were added to the top every day, leaving large amounts of dirty, strong ammonia smelling shavings. This unfairly exposed the 4 H'ers to an unsafe breathing environment in a hot, enclosed area. Please clean your stalls daily and use fewer shavings to help us reduce the cost of stalls, shavings, cleaning and removal from the fairgrounds. We realize more shavings are used when supplied bulk. We are hopeful we can continue providing bulk shavings and still have a group willing to do the job of cleaning. This year, we will again receive a list of those who leave excessive amounts of dirty, wet shavings and will add a \$30 cleaning charge to the account of the horse owner. Show management will determine if stalls have been over-bedded. Stalls are not to be used as a dog kennel for the same reasons.

ENTRIES ARE DUE BEFORE MIDNIGHT JUNE 11, 2024

ARRIVAL AND DEPARTURE: Horses are allowed on the grounds starting 8:00 AM, Tuesday, July 9. Set-up and bedding of stalls is allowed beginning 8:00 AM, Monday July 8. Move out is prior to 10 AM Sunday, July 14. Early arrival or late departure is permitted with permission from the Show Manager, Joan Palelek. 206-972-2163. An early arrival/late departure fee of \$30 per horse, per day will be charged. There will be no charge for early set up of tack stalls and bedding of stalls that are not occupied by a horse.

BEDDING: Stalls will not be bedded but bedding will be supplied **as long as supply lasts**. Additional bedding may be purchased by the exhibitor locally. Many of the stalls are matted at this facility so please bed stalls accordingly. Please do your part to conserve bedding use so we may continue our policy of having bulk bedding available.

FIRE MARSHAL RULES: By order of the Fire Marshal, all aisles between stalls must remain open. All materials used for decorative purposes must be treated with flame retardant; this includes stall drapes, even those made of cordura. Please be prepared to present evidence of this to the Snohomish County Fire Department. The Fire Marshal may inspect the show grounds. Authorized electrical appliances for grooming purposes may be used. The electrical system may not be altered or tampered with, under any circumstances. If electrical cords are used, they must be of the heavy-duty, outdoor type. Smoking is not allowed in the arenas or barn areas. Hydrants, building exits and aisle ways must remain clear of all obstructions. Decorations, signage or temporary structures may not cover or block any building exits, fire hoses, phones, or electrical panels. **Shavings may not be used in aisles or barn walkways as they are a fire hazard.**

SHARPS CONTAINERS for the disposal of needles and other sharp disposable instruments have been placed throughout the stabling area, every 50 stalls. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$300 (\$100 USEF; \$200 Facility) for improper disposal of needles or other sharp disposable instruments.

STABLING: There are 402 permanent box stalls (wood or metal construction, with dividers, half-doors, full doors). Portables consisting of vinyl tarp on metal frames with full doors and roofs are located outside.

STABLING ASSIGNMENTS: A stall must be purchased for every horse entered into the show or a haul-in fee paid per haul-in day. Horses may not be left in trailers overnight. Priority will be given to show Patrons. After Patrons the assignment of stalls will be made as fairly as possible on the basis of postmark of entries, number of horses, and best use of facility. No stabling changes are allowed without the consent of the barn manager. Original stabling assignments will not be changed to accommodate entries qualified after the closing date or post entries. Management will try to stable late entry as close as possible to other entries but no guarantees can be made. Decision of the show commission is final. Exhibitors wishing to be stabled together must submit their entries together in the same envelope. If you have special requests or considerations, please submit them with your entry. All requests will be considered, but no promises are implied. **Stabling preference will be given to Gold Patrons followed by Silver then Bronze Patrons.**

STALL AND BARN DAMAGE: Stalls may not be structurally altered in any way. Removal of fronts or sides to make larger areas is not allowed. Do not put nails, screws or other types of hole producing devices into the stall walls. The use of staples, tacks or tape to attach decorations to walls, buildings, stalls, etc. is prohibited. Horse hooves are not to be painted on unprotected barn floor and aisles. EXHIBITORS ARE FINANCIALLY responsible for any damage or alterations to stalls or barns and will be charged accordingly. Barns and stalls will be inspected for damage and alterations.

STALL AND BARN CLEAN-UP: Decorations/material must be removed by the exhibitor following the show. This includes any materials placed in aisles or outside barns or materials used for decorative purposes. The cost of cleanup will be \$50.00 per hour and \$9.00 per yard dumping fee for cleanup and disposal of materials other than actual stall bedding.

2024 Patron Program

Welcome to the 2024 Region 5 Patron Program. Along with other Regions of the Arabian Horse Association, the Region 5 Championship show has decided to discontinue the Patron meals.

In the lower (2) barns, Patron stall fronts will include the front of the barn directly in line with up to the 15 stalls that follow behind that front. In the upper (2) barns, Patron stall fronts will include the front of the barn directly in line with up to the first 12 stalls following that front. If a training barn/farm requires more stalls than those listed above then those stalls will flow into "overflow" stalls. Show management will try to locate those overflow stalls as

convenient as possible to the Patron's stall front and other stalls. This may be by way of permanent or portable stalls. If a Patron does not use all the stalls (15/12 stalls directly behind the stall front) then show management, at its discretion, will place others in those stalls. Please be advised there is no guarantee that you will get all of your stalls together if you have more than the stalls listed above for each barn location. The lower barns have limited space. If you have a preference, please indicated by checking upper or lower barn. All Region 5 stalls will be assigned by the Region 5 stabling committee on the basis of many considerations including but not limited to past patron history, date patron form received, the number of horses, overall pattern to optimize the barns. Stall fronts in barns 102 and 103, must be left up until the end of the Saturday evening session. To assure your place in the premium stalls please return this form with all required information along with your Patron payment to Region 5 by June 1, 2024.
